To all Connected With  
The Never Forgotten Honor Flight

I would like to express my appreciation for all who Cared for the Veterans and their Wives on 9/10 and 9/12/16.

I want to thank, Sara for the encouragement that she gave me to go with my husband when I thought that I wasn't going. She said that I would be missing out on a lot if I didn't go. She was right.

The Pre-flight dinner was so nice. The speakers were so interesting when they told their stories of the service to their Country.

The Fairfield Inn did accommodate everyone

9/17/16

With their beautiful rooms  
and service for 2 nights. also,  
the party for all that evening.

I enjoyed the luncheon and  
the tour to the Museum on Monday.  
It was a great time for the Women.

I was amazed when we  
got to the airport and were greeted  
by all the servicemen and walking  
with them to our seats at the far  
end of the airport. I couldn't be-  
lieve the many people at the airport,  
the handshakes to the Vets, signs and kind  
words.

In all, it was a wonderful  
experience for my husband and myself.

It will never be forgotten. We  
will cherish it forever.

Thanks so much for all  
who planned and did this for the Vets.
