

15 Sept 2014

Dear Jan,

Thanks so much for all the work/planning you all do to make "The Honor Flight" so memorable.

All was good - the memorials, especially WW II, the guide there, the Guardians, doctors, changing of the guard at the Tomb, and the flight home with the "Mail call", "mail call". I got 54 pcs of mail. It blew me away.

Your care of those in wheel-chairs was remarkable. I guessed that 50% of the Veterans used them. The weather for our group was excellent 69° and not any rain, but overcast.

The box lunches from Arby

tasted good and were timely  
the food was passed around and  
enjoyed by all.

Barbara Bradley speaking  
at the Iwo Jima memorial  
about her father John Bradley  
helping to raise the American  
flag was most moving. She  
did a great job under that  
pressure.

I want to thank you and  
your staff again for the  
fine job you all did.

Your friend,  
Bud Ramsland  
Honor Flight 17

P.S. Our church Woodlands  
in Wisconsin Rapids will  
have another Global Leadership  
Seminar in Aug 2015. See  
Ken Moberg about it. Bill  
Hybels is the leader. He  
wrote a book "Courageous Leadership"
