

10/3/15

Dear Jim,

I was one of the veterans that went on the flight Mon. The 28th to D.C. and I just wanted to thank you and all People that pitch in to make the trip a wonderful Experience.

I enjoyed every minute. Everything was so well planed And worked like well oiled machine. I especially got a bang out of traveling through the city with the police Escort.

I know you work tirelessly raising funds, but want you to know your efforts are greatly appreciated.

Sincerely,
Ed Barlow
