Dear Never Forgotten Honor Flight.

There are no words to thank you enough for the wonderful time my dad had on this trip (Sept 8th). He just finished reading his "mail". He saved a few for everyday. We will be busy putting them in a scrapbook, to be added to the many memories. Dad can't tell enough people how wonderful everything was and how well they were treated. I notified the Park Falls Herald of his trip and they came and did an interview with him & my brother and also two other area vets. I just finished reviewing the photos of article about all three vets. They show so many views to see on the website and again how wonderful they have been together 68 years. I

We just had to put my mom in the nursing home in January and it had been a rough time for him. They have been together 68 years. I noticed in some of these photos a smile on my dad's face - Frank - you again for that. My brother was dad's guardian and he too our it was an honor & a privilege to do that for dad & all the vets. I just wanted to thank you and all the volunteers, doctors, nurses and all the wonderful people that donate to such a wonderful project. You truly made my →

dad's trip or "Trip of a lifetime!"

A huge thank you from
