Greetings,

Enclosed is a donation check of \$97.50 towards your Veterans organization to honor:
All Jacoby and extended family Veterans.

Last year, our family got together to have the monument & marker of our Uncle Alvin Jacoby restored in Wisconsin Rapids (Alvin was a U.S. Army tank crew member killed by the Germans in Holland during World War II).

We had some excess funds left over from this project, so it was agreed upon to make a donation to your organization.

Sincerely,

A handwritten signature in blue ink, appearing to read "P. Jacoby", with a long horizontal flourish extending to the right.
