

We want to express our appreciation for the wonderful 2 days your group presented. Everything was so well planned and I can't imagine it could be improved. Jerry seldom smiles anymore but he was all smiles the first one off the plane.

Everyone was so gracious and a lot of volunteer hours are spent putting on such an event.

This is something we will
talk about for a long, long
time.

Thanks again & keep up
the excellent work

Sincerely,
Jimmy Dows Christ
