

Dear Board of Directors
Never Forgotten Honor Flight

I would like to thank you
and all the volunteers and the
many people, companies etc., who
helped in any way to make
24 April 17 a very special day of
my life. I had a great time, meet
someone who served in the Americal
Division in Viet Nam the same time
I was in Country.

you can all be very proud
and we can now say
"welcome Home"

Sincerely
James Reed
