

Dear Mr. Campbell,

Thank you for letting us have your Honor Flight movie. It was so amazing how those people made memorials for the veteran's. It was sad when Orville died on Christmas Eve. It must have been hard for his family. This too happened to my Great-Grandpa Stanley Knapkavage. He was in WWII. He died of old age after he quit the navy. I wasn't born when he died. My dad was only 15. I wish I got to meet him and hear his stories.

Never Forgotten Honor Flight

Thank you Jim and the committee for taking care of all of the veterans and making the movie Honor Flight. It is very brave of all of the veterans that tried to do their best in war. The person that really made me confident was Orville. I was sad that Orville died on Christmas Eve. He must have been through a lot in war. He must have been very special to die on Christmas Eve. But every day is a bonus!

Dear Jim Campbell,

Thank You for giving us Honor Flight! It was really good I thought. I really liked the part when the person that went to prison camp said "Every day is a bonus!" Thank you that was the best movie I've ever seen!! It reminded me of my Uncle that was in the military that died in 2005.

Dear Jim Campbell,

I liked the movie Honor Flight. Honor Flight was very sad. I liked the Part when someone said "I'm not the hero the heroes are the ones who didn't make it back". That was the best movie ever.

Dear Never Forgotten Honor Flight Committee,

You inspired me to think more about the people who risked their lives to save our freedom. This too happened to my Great-Grandpa Stanley Knapkavage. He was in WWII. He died of old age after he quit the navy. I wasn't born when he died. My dad was only 15. I wish I got to meet him and hear his stories.

Dear Jim Cambell,

*That was the best movie I loved it, Jim Cambell.
Honor flight is very special to those other people I bet. I
thank the committee, too. Thanks for letting us see it. I
think the fifth graders should see this Honors Flight movie
every year around Veterans Day.*

Dear Jim Campbell,

Thank you for giving our school the movie Honor Flight. I liked it the most when you talked to some of the people that went on the Honor Flight. It makes me think of veterans more.

Sincerely,

Aimee

Dear, Mr. Jim Campbell

Thank you for the Honor Flight it was a good movie. I thought the movie was very inspirational for me. The best part of the movie was where they interviewed the WWII Vets. My Great Grandpa is a WWII Vet.
