Never Forgotten Honor Flight PO Box 5056 Wausau, WI 54402

Hello Honor Flight- Central Wisconsin,

Enclosed is a donation to your program from our church second quarter Mission project. It is a blessing to the veterans and to all of us citizens who come in contact with our vets who served so bravely in conflicts overseas. We know they truly appreciate being able to talk about their service to their country.

I have personally enjoyed seeing the Wausau Daily Herald special section after each flight comes back from Washington, D.C. My father served in occupied Germany after WWII as a young man from Wisconsin, but he lives in another state now. Two years ago he had a ride in a B-17 (like he did in Germany) and last month he took a ride in a restored Stearman biplane trainer, painted in the Navy colors. He didn't stop smiling for a week.

God Bless your organization and your volunteers.

Im Leinhow Tom Lindow

Treasurer
