Paying It Forward: There's Power in Giving; Energy in Sharing!

After Black Friday and Cyber Monday, we are happy to participate in Giving Tuesday (December 1), a day of global giving.

As another special way of celebrating the Wisconsin Public Service Foundation's commitment to our communities, and a meaningful way to engage employees, 50 employee names were drawn at random to receive a gift of \$250 to ***pay it forward*** to a qualifying 501(c)3 of their choice.

Please find enclosed a check for \$250 as Steven Weber has selected your organization.

We'd like to take this opportunity to thank you for your part in keeping our community healthy and strong. We are happy to be part of that work.

Sincerely,

Karmen Lemke
Director
Wisconsin Public Service Foundation

Enc.

About Wisconsin Public Service Foundation

The Wisconsin Public Service Foundation, incorporated in 1964, is a private, charitable foundation that supports charities and organizations that need financial assistance. Wisconsin Public Service Foundation is funded by stockholders of the corporation, not by its electric and gas customers. Through direct grants, scholarships and an employee Matching Gifts and Dollars for Doers program, the Foundation actively supports improvements in the quality of life in the communities served by Wisconsin Public Service and its sister companies Minnesota Energy Resources and Michigan Gas Utilities. The Foundation provides nearly \$29 million in contributions to programs that support activities in the areas of arts and culture, community and neighborhood development, education, human services and health, and care for the environment.
