- Donation Honor Flight.xlsx (57 KB)

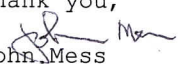

Hello Jim,

As per our past emails - our Post raised funds in 2014 and designated them to sponsor veterans from Price County that participated in the Honor Flights. In our last email you provided a list of the vets from Price County that went on the honor flights through flight #24. Since then I received a list through #26.

American Legion Post 122 will be sending a check to the Never Forgotten Honor Flight in the amount of \$6,500. This amount represents \$500 each in the names of the attached 13 veterans from Price County that have participated in Honor Flights.

I am mailing the check now, however, we would like to coordinate a photo op at some time in the future. Something like a presentation of a check to an Honor Flight representative would be great. I believe we will have some individuals from our Post at the April flight - so we might be able to do something then. Otherwise, let us know if a representative happens to be traveling through Phillips before then. I am addressing it to the PO Box 5056 Wausau address.

Thank you,

John Mess
