Colby, WI 54421

Dear Sirs,

On February 9th of this year, my uncle Arnold Strathmann passed away at the age of 96. I was fortunate enough to have been a guardian for him on the October 2012 flight to Washington. He often reminisced with my father Edward and other family members about the trip. My father was also on the same flight. This proves just how proud and thankful that these older veterans are for the opportunity to see their memorial. The family has decided to send you a memorial as a small token of our appreciation. God Bless and continue the good work

Sincerely yours,

A handwritten signature in black ink that reads "Richard Strathmann". The signature is written in a cursive style with a large, sweeping flourish at the end.
