

Never Forgotten Honor Flight -

The enclosed check of \$250.00 is donated in memory of our father Elroy Nantow. Dad went on the flight on Oct. 2013. He was 95 years old, a WWII veteran & had longed to see the memorial. He got to do that but passed away 2 months later in December 2013. He was a wonderful man, soldier, husband, father. Thank you for what you gave him.
