Dear Jim:

In addition to July's donation from Dawn Houck, I have received another gift from her and thus we are enclosing an additional check in the amount of \$2,500 for the Never Forgotten Honor Flight. This check is also in memory of Captain LeRoy J. Cornwell, Dawn's late husband whose POW bracelet I wore for over 20 years and in memory of her second husband, Lt. Col. E. Dwain Houck who passed away in April 2014.

Thank you again for your efforts in making sure all Veterans are able to go on this wonderful journey to Washington DC to see their memorials. It was my pleasure as well to have you visit my campsite during the VietNam Veterans Motorcycle Club Summer Twister. We enjoyed your visit.

Sincerely,

Deb Kersten
