Dear Never Forgotten Honor Flight,

On March 15th of this year, my father, Raymond F. Meyer passed away. He was a WWII and Korean War Vet.

On October 17,2011 my father and his brother, Joe Meyer went on the Never Forgotten Honor Flight #6. They were very grateful to all for setting up the trip for them and all their fellow Veterans.

It was his wish, and the Meyer family's, to make this donation to the NFHF.  
Thank you very much for the work you all are doing.
