To Committee for Nat's Trips: "Never Forgotten  
Honor Flight" -

This donation is for the good  
work accomplished for these Veterans,  
and in memory of one Lawrence  
Mansavage of Plover who was able to  
make a previous trip.

I'm related thru husband's family and  
since he's deceased never got this  
opportunity to partake of the trip. We have  
both belonged to American Legion Post  
#543 who have several members that did.  
Support of your program is helped by  
this group.

Thank You;
