Re: The Trip of a Lifetime

Dear Guardians,

Our Dad, William C. Hinner, was a Korean War Veteran who passed away on March 6, 2010 following a very sudden onset of cancer. About a week before he died, he met with family members to discuss his funeral arrangements. One thing was very important to him, his Army service and rank. Be sure you have "Sergeant on my military marker".

Dad had the opportunity to travel to Washington, D.C. in 1994. He talked about the experience of visiting Arlington Cemetery, the Korean War Memorial, and the Vietnam War Memorial.

When we saw the April 26th telecast, we knew Dad would have considered making a donation to let other Vets experience the trip. As a remembrance to him and his service, our family would like to donate \$500 towards the next Trip of a Lifetime. It is an honor and privilege to recognize those who served and fought for our freedom.

Respectfully submitted,
