

Mike & Jen,

My husband Jen and the whole Van Lieshout family want to thank you from the bottom of our hearts for the wonderful gift you gave. Jen & I were the boy scouts that held the door for at Howard Johnson, to the wonderful volunteer that helped with our busy road, and then a special guardian that rode with those Vets stopping the way, we all thank you & them. If a guardian was Honey someone and Jen said it was the best. He will never forget Harry. We thought it couldn't get any better and then we get a beautiful collage picture in the mail which says "I'll be here for you". It is being framed right now. Thank you so much for every step these old Vets took. It is appreciated. The Jen Van Lieshout
