

Never Forgetter Honor Flight

Attention: Jim Campbell, co-chair and Mike Thompson, co-chair

Gentlemen:

Recent receipt of the 11x17 honor flight group picture from the May 2, 2011 flight reminded me that I never wrote a sincere thank you to the two of you although my wife and I did verbally thank you on that day along with many others.

What a wonderful trip and experience for me and all those on that trip. It truly will never be forgotten.

Starting with the pre-flight dinner and carrying through the whole day everything was planned to perfection. The surprise mail call and reception at C.W.A. on the return flight was more than I could have imagined.

Thanks again to the two of you as co-chairmen and all the many people involved in planning and paying for this trip.

Sincerely,

Russell L. Stahnke, U.S. Army
