Dear Jeff.

I was so pleased to receive the box of pictures & your letter. I can't begin to express my appreciation for the gifts - it is beyond expression.

The trip was wonderful & on great measure because you were so attentive. Telling people about the experience brings tears to my eyes. I think of my many friends who didn't live to enjoy the life of a "Senior" veteran.

The preparation you & your committee accomplished was remarkable.

Having the privilege of sharing
