

I would just like to express my thanks and gratitude to all of the people who are involved with the Never Forgotten Honor Flight Organization.

It was a great honor and privilege to go with you on the last flight as a guardian. I met many awesome people and had a great time. It was a wonderful experience, one that will stay with me forever. I have stayed in touch with both of "my Vets" and consider it a great honor to have met them both. It was great to hear their stories and to be able to share the day with them.

I just want to give everyone that is affiliated with the organization a compliment. "I have never volunteered for a more organized function than this one." So hats off to everyone, you all deserve a big THANK YOU!!.

I have shared my stories with many family and friends back here in Wisconsin Rapids and hope to recruit some of them to become volunteers also. I know I am looking forward to becoming more involved.

Thanks again.
