

Dear Pat,

9-29-12

Pardon me if this is hard to read. Seems like I've been writing letters I'm down for a month, I'm down to school kids I don't have address for - I'll get to that later.

But - your part - A most heart felt THANK you for A wonderful Trip. I marvel at the letter perfect way your staff have everything anticipated + organized, barring the uncontrollable - like runway lights - you all have done a great job.

You're forgiven if you pass this off to your girl Friday or a volunteer - But know, I'm forever GRATEFUL -

1-

It was so perfect I hesitate to mention this. But my Guardian (my daughter) ~~was~~ was also guardian for a man who had lost his wife and his daughter had been murdered. As best Linda could tell he had no family letters. Maybe he had no family. My point - maybe you need to dig deeper if an application has none listed.

2 Please excuse mistakes. Getting Tired!

- 3 Among my THANK-yous was the name Janet Fergot, or et. Is she one of your volunteers? Can I have her address — if she is, or you know her.
- 4- Kids letters / no last name or address. Can you trace them, without undue trouble?

1- ANNIE 😊 I'm guessing - 4th or 5th

2- DALTON BRANDENBURG,

3- KACI - CARD - 3rd - 4th?

4- NEWMAN CATHOLIC ELEMENTARY

5- AN 8th GRADER - PROBABLY GIRL, FROM MOSINEE MIDDLE SCHOOL, HAS A FRIEND OF THE FAMILY NAMED "LOU" WHO'S IN SERVICE.

6- ERICA - FOLDED BLUE CRAFT PAPER FLAG + USA ON FRONT.

7 KILAUNI - 8th GRADER - ^{HOTEL} DOOR USA SIGN

8, LAST ONE, IN MOSINEE AIRPORT, IN THE MILITARY GUARD, SMALL OF STATURE, MIGHT HAVE SOME ASIATIC BLOOD, WAS RIGIDLY AT ATTENTION ^{HOLDING} ~~AT~~ A SALUTE. MOST MILITARY ONE!

FOR MAYBE 5 MIN. I WAS BACK IN THE MILITARY! I LOVED IT, IN SERVICE I WAS BOTH ENLISTED + COMMISSIONED. I ADMIRER BOTH.

THANK YOU FOREVER.
