Dear Sir —

I'm writing this for my husband Edwin Olson, who went on the "Honor Flight" last Oct. - He thoroughly enjoyed every minute of the day - He just can't say enough about the whole trip - It was so well organized, planned so well - treated like a "special guest", which he was - Many, many thanks for all you do for the Veterans -

Also thanks for the DVD that was sent to us. I'm not quite sure who really sent it, but that too, we surely enjoyed so much - thanks for the thoughtfulness - we'll never forget all you've done for us, as a Veteran -

God Bless all of you for your kindness and all you do for us Veterans - you are very special -

In appreciation,
(Marie J. Olson)
