Also a thank you to all Guardians who accompanied Veterans like myself on a well organized trip. We were well informed throughout the trip on all our coming events, when and where. We had very knowledgeable narrator's at all our stops.What an amazing unforgettable day. I wish to thank you also for the HONOR FLIGHT Dinner which we could spend with fellow Veterans our wives and some had a girl friend or just a friend. I almost forgot to give my sincere appreciation to all the great contributors. I also salute all Veterans May they all become recipients of a the great adventure of a well organized NEVER GORGOTTEN HONOR FLIGHT. Something that will cloud your vision with thankful tears.
