NEVER FORGOTTEN Memorial Flight of 10/17
FOUNDERS AND STAFF:

I am truly please, really in awe,
over your magnificent interest and
services you provide our VETERANS.
I'm sure I speak for EVERYONE who
have had the opportunity to parting-
take in these marvelous trips to Wash-
ington. Seeing the various monuments
was very impressive but the services
and camaraderie you provided were far
beyond expectations.

This is not to take anything away from
others, but I want to thank "mike"
especially for personally guiding me
at the Korean memorial and linked
monument tour. Mike your services
were extremely gratifying.

I mean all of you.

You're terrific!

I know I am an old man
but if there is any way
that I might help you to
help my fellow Comrades
in any way please let me
know. I don't have financial
wealth but do have lots
of energy. Thanks again
A Gracious Veteran,
Harry J. Hooper
