

Never for gotten don't forget what an  
experience!

Mike, Jim & all who made this one of my  
best days of my life. I have one word to  
describe the events of the day AWESOME!  
The welcoming that we received by the hundreds  
of people at both ends of the trip was totally  
unexpected & deeply moving.

Again my heart felt thanks to all for  
job well done!
