

To All you'se guys ☺

Thank you from the bottom of my heart!! I shed many tears! Happy ones. you have quite an organization!! I have just sent eight thank you letters to as many schools & the kids. They were great!!

Thanks again and again!! The story is, and will be told again and again!!

My 18 months & dropping parachutes, gliders, resupplies & hauling wounded & P.O.W.s has been repaid.
