To all who participated in
the Never Forgotten Honor Flight.

We fail to find adequate words to express our feelings
in regard to the Honor Flight. Thank you, thank you.

It was a wonderful opportunity to visit D.C. and
visit with vets and spouses that had similar
experiences. Everything was so perfectly organized
that we were able to enjoy every minute of it.
The volunteers were all "first class" - wonderful
fellowship with all.

We also say "Thank you" to all who made
contributions to make this a reality.

Spouses were well cared for - enjoyed every
minute of time I spent there. - And I was
interviewed on channels 7 and 9 - at age 93!
The first ever!

A personal note: Our son, Keith, was 16 days
old when Richard left for training. He was
privileged to go with his Dad on this trip.
It was unforgettable for him too.

Thank you again, for wonderful memories.

Sincerely,

Richard H + Arline J. Baughman
