Dear Honor Flight,

My wife, Beverly, and I want to express appreciation for the invitation to join the recent flight to Washington, D.C. and the return reception at the Central Wis. airport. It's impossible to describe the wonder of the Tour of our Nation's Capitol and Changing of the Guard followed by mail call on the plane on the flight back to Wis.

We have never been so honored for my 2 yrs of service (1952-54), you are to be likewise honored for the efforts you made to plan and direct the flight for all involved.

May God Bless you all for your efforts on our behalf!

With Sincere Appreciation!!

Beverly & Melvin Gleiter
