

5-14-12

To all,

It's been a whole week
already since I was
privileged & honored to
be on the 8th Honor Flight
& I still haven't found the
right words to say thank
you.

When I think of how
many kind & generous
people who give their
time & energy & finances
so freely for us it's
really mind boggling.
My faith in the human
race has gone up
considerably.

It certainly was a day
to be remembered &
cherished & all I can
think of right now is to
send the enclosed check
~~to~~ so that at least a
couple more veterans
will have the same
opportunity that I had.

Originally I had wanted
to be a Guardian but
my age put an end to
that.

Thanks to all involved
& God Bless.
