

Dear Honor Flight Executive's -
Jim, Dick, Sara, Ken, Mike +
Jan,

Thank you for organizing an
amazing program for our Vets.
I returned on Sept. 11 making
the trip as a guardian with my
Dad - Charles Suedtke - everywhere
we went was 1st class accommodations
for these Vets. You truly have
thought of everything. We met so
many appreciative people everywhere
and new friends on the bus +
plane too.

What a wonderful program to be
a part of. I hope someday when
my schedule allows I can
volunteer for you in some
capacity.

Thank you all so much for
the trip of a lifetime!
