

Sept. 27th

Dear Friends,

THANK YOU!!!!

More words can never convey how absolutely marvelous Dave's Honor flight was earlier this month. From the first phone call to him from a volunteer to the delivery of a lap quilt by a Quilting Group in our area the day after the flight EVERYTHING was so special! He will never forget this

beautiful event.

Thank you! Thank you! and  
Thank you again!

Blessings to all of you for  
~~you~~ everything you do for  
these veterans.

With much love,

David and Susan Prisar

P. S. And thank you also  
for the events you had for  
the spouses. I especially  
enjoyed the "apron"  
presentation.
