RAYMOND POTOCKI

National Honor Flight,

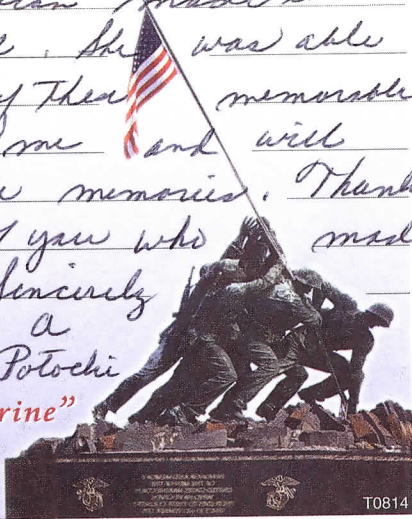

It has taken me a while to send this Thank you note because I couldn't find enough words to express my appreciation and gratitude to all of you who made it possible.

Every minute of the trip was an experience of memories, patriotism and emotion. I will never forget it.

Having my daughter serve as my guardian made it extra special. She was able to share all of these memorable sights with me and will also share the memories. Thank you to all of you who made it possible. Sincerely,

Raymond A
