Re: Never Forgotten Honor Flight

We represent the Associate Advisory Committee (AAC) at the Stevens Point Service Center of Associated Bank. The AAC is responsible for organizing events for associates and fund raising within the Service Center. One of our activities is **CASUAL FOR A CAUSE**.

For a \$1.00 donation, associates at the Stevens Point Service Center receive a 'Casual Sticker' which allows them to dress casual at work for the day. Each monthly CFAC event is designated to a specific non-profit organization as approved by the committee with all proceeds going to that organization.

We have provided support for organizations such as the Family Crisis Center, Operation Bootstrap, American Cancer Society, the Portage County Humane Society and various other local organizations.

We recently held a CFAC to help your organization and raised \$360.00. A check for that amount is enclosed.

Sincerely,
