**NEVER FORGOTTEN HONOR FLIGHT  
SEPTEMBER 19, 2011**

---

Hi!

February is a very interesting month. With Presidents Day, this year even Ash Wednesday and even Lent occur. Valentines cannot be overlooked either, nor my birthday.

Within a week of my 18<sup>th</sup> birthday I received a letter from "Uncle Sam" with my induction of the United States of America that was 18 yrs. ago. The past year our daughter Pat and her husband Ed had asked if I ever considered the "Never Forgotten Honor Flight"? They would be my sponsor and Ed to be my guardian.

It was the most awesome day of my life visiting the monuments of the past wars.

The day started very early and ended very late at night with thousands of wellcomers to greet us at the airport.

On our flight home, our leader reminded us how all veterans eagerly waited for "Mail Call". My packet of mail consisted of over 40 of your letters I have saved them all and cherish all of them. These letters mean more to me than any valentine
