To Never Forgotten Honor Flight Board Members,

On behalf of Dan LaCerte and myself, we would like to thank the Board of Directors of the Never Forgotten Honor Flight for creating a most wonderful and memorable experience for Richard, as well as for us!

Your kindness in accommodating Richard's illness was so very much appreciated, to Mike for making this happen, to Jim Coleman's unwavering kindness in helping Richard navigate, to the USO Club and those of you who wished him well, to the special table up front at the banquet and inviting not only his brother and sister-in-law and my sister, to Jan's most beautiful quilt honoring his service, to Ken and Jim's special help at the airport and making him first in line, to the awesome portrait and the docs professional support! It could not have been more wonderful and we will all cherish the memories forever!

Richard so very much loved working with all of you! He was always excited to help when there was a flight, and always carried an honor flight brochure with him. No matter where we traveled - domestic or foreign - Israel, Brazil, Italy, Germany, France, Japan...he would tell whoever would listen about the Honor flight! It was truly an honor for him to be on the Board with all of you!

Sometimes words can't express the gratitude and love, but please know that we are deeply grateful for all that you have done and continue to do!

God's blessings!

Cheryl Bahr-LaCerte
