Dear, Pat and all the good people
at Never Forgotten Honor Flight
Organization. I had the privilege
of going on the Honor Flight, last week
from Warsaw. I really appreciate
your fine work and it was very enjoyable. May God Bless each and everyone
the banquet, the Trip, the emotional mail of you and God Bless America.
call, and the awesome greeting back
of Moscow. I not sure I deserved
such a glorious event but will cherish
that the rest of my life.

Your thoughtfulness

will be warmly remembered.

Sincerely Jim Lake
