To the Newer Forgotten Honor Flight group:

I recently was a guardian on the 22<sup>nd</sup> NFHF. I must say it was the most rewarding day of my life. I became interested in the NFHF once the WW II memorial was built & your company was founded. My grandfather, a WW II veteran on the USS Dobbin, gave a lot of money to the memorial, believing every veteran of our previous wars deserved to be honored. Once NFHF was founded our family tried & tried to convince him to sign up to see "his memorial." Sadly he never did & passed away in August of this year 3 weeks shy of his 100<sup>th</sup> birthday. Our family would like to give his memorial money from his funeral to the NFHF so that others may benefit from this wonderful program.

Sincerely, Becky Louelace & the family of Leonard Barto
