Dear Jim and Mike:

Where do I begin to thank you for 'The Trip of a Lifetime'?

To the Board of Directors; Executive committee; Members at Large; Medical Staff; All the Red Shirt Volunteers; Blue Shirt Volunteers; all who arranged the Banquet; Food; refreshments at Highland Church; Airport; Entertainment; the Welcome at the Banquet; transportation; the hanging of Posters at the Hotel on Veterans doors; the Mail Call-down to postmarking my envelope 1968! All the wonderful planning at Washington DC - You all never skipped a beat!!

Being accompanied by my son Jamie, as my Guardian and my son Todd meeting me in Washington DC was more than a Father could ask for. Then my daughter and her family had signs and flowers at the airport for a most memorable Welcome Home. The hundreds of people at the airport was overwhelming. I have been to nearly every Welcome Home to the Never Forgotten Honor Flights to greet the Veterans over the years but, to experience it on the other side, well, it was quite the memorable experience.

I apologize for not handwriting this letter to personalize it but, due to my health I'm not able to write in a legible manner.

Please accept this check for \$500.00 as a donation so another Veteran can experience 'A Trip of a Lifetime!'

With deep gratitude

A handwritten signature in black ink, appearing to read 'Michael Zynda'. The signature is fluid and cursive, with a large loop at the end.
