

we can not thank you enough for all that
you do for the Veterans!! The 21st Honor
at out of Central Wisconsin was
extremely well organized with attention
every detail. We felt very privileged
and humbled to be a part of it.

An meeting so many wonderful
things, I was a time we
will cherish & never forget.

If there is anything that you
could help with in the future re-
garding the flights, please know that
we would be available to help in
any way.

Sincerely,
