Never Forgotten Honor Flight
P.O. Box 5056
Wausau, WI 54402-5056

Enclosed is a donation of \$100.00 from memorials received for my father, Harry M. Spray, who died in Madison on November 02, 2012. He was not a veteran, but a WWII history buff and a former recreational pilot. His love for military history and passion for flying and planes seemed perfectly matched to choose a Wisconsin Honor Flight for his memorials. He was fortunate to visit Pearl Harbor and part of the European Theater of war connected to D-day. He would be proud to help any veteran make their way to Washington D.C. to see the memorials honoring their service and sacrifice. I only wish it were more.

Sincerely,

A handwritten signature in cursive script that reads "Diane Spray".
