

Dear Mrs. Martin,

The Antego "Class of '52" is closing out their banking account.

We are giving the money to Charities. Richard (Dick) Lund was a classmate, who

died this year.

The "Honor Flight" was something he was very interested in and because we are the Korean War era, we decided to give \$175.00 to the Honor Flight in Dick's name.

Thank You for your time. Beth Hogner
