

Dear Mr. Campbell & Mr. Thompson:

I am one of the Veterans of
WWII who was fortunate to be picked to be
on the Never Forgotten Honor Flight on May 1
and May 2. I and all the other veterans
who made that Flight to Washington D. C. want
to thank the both of you, the Executive Com-
mittee, and the members at large for mak-
ing this wonderful event happen. All of you
from myself and all the other Veterans send
you our humble thanks. Gentlemen, I wrote
a letter to the Lakeland Times; our bi-
weekly paper here in Minocqua a letter des-
cribing nearly every detail of our two days
in Wausau, Mosinee and Washington D.C. It
was printed in the May 27th Lakeland Times.
I had extra copies made to send to all who were
part of this two day event that I knew
like my guardian and so forth. I am send-
ing some extra copies to you hoping you can
see that other people or businesses can read
them or display them so they can see how
thankful the veterans are so thankful for
thinking of us. I think it would nice if
Wausau Daily News would put this letter to
the editor. This is one way that the vet-
erans can show their appreciation to all the
people of Wausau and surrounding areas how
thankful we are. That was a thing that I
will never forget how all people involved
gave such a beautiful welcome when we
came back from our trip to Washin ton
D.C.

Gentlemen, I and all veterans thank you
for making such an event possible. I am
sure for me it will never be the Never For-
gotten Honor Flight.

Sincerely and Respectfully Yours

Felix V. Batwinski
