

Never Forgotten Honor Flight,

Thanks to all who put so much into planning and carrying out such a wonderful trip for our Veterans. I was honored to be chosen to be my father's [John Haring Sr] guardian. We had a great day!

I can't believe how much we got to see in one day. Every thing was so well organized from the wonderful dinner to the welcome home at the airport.

I think my father's favorite part was seeing the huge crowd at the airport. He can't stop talking about it. Thanks again for all you do for the Veterans. It was an amazing trip!
