

Jim and Pat,

I was one of the guys from the Wausau PD who had the honor of going on the Honor Flight Monday. What a tremendous experience. "My" veteran, Marine Corporal George Maloney, was just a fantastic guy to spend the day with. I would venture to say no one on that trip enjoyed themselves more than we did. At any rate we were very impressed with the attention to detail and accommodations made to make such an event happen. THANK YOU very much for all you do for those veterans, and please pass this on to all involved (even Doc Nietert! 😊 )

Best wishes and stay safe, Mark Pankow
