Dear Friends,

I was one of the WWII veterans who went on the Honor Flight on 19 September 2011. I was amazed at the way everything was so well organized and that everything went so nicely.

The banquet was so nice, a very delicious meal, entertainment that brought memories of the WWII era.

I compliment you and everyone who was a part in this great project, all the donations made, and the work, many hours of planning it must take.

I enjoyed the "Trip of a Lifetime" for me that I will never forget.

I was very surprised to see so many people at the airport when we returned, shaking our hands and Thanking us for our service. It was so nice and it made tears come to my eyes.

I would like to know if and when you are planning another Flight. I know of a number of WWII vets who I may be able to convince to go. I would appreciate if you would let me know.

In closing I would like to say Thank you again for all the good work you are doing. My son Lonnie was a guardian and he enjoyed the Trip very much and sends his thanks also.

all in all it was a great "Trip of a Lifetime" for me and I will remember it for the rest of my life.

May God Bless everyone who made the Trip possible. Thanks to everyone who had any part of the Never Forgotten Flight on 19 September 2011

Sincerely,
