

Honor Flight Organizers-

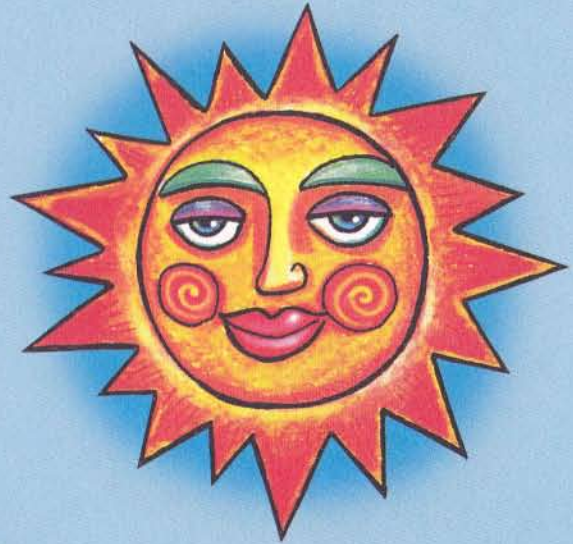

Thank you so much  
for what you do.

My father - Marvin  
Pilsner - was on the flight  
Mon. April 18 and the  
first thing he said when  
he came back was - "I'm  
so glad you guys  
encouraged me to do  
this - its the best day  
I've had in many years!"  
He couldn't believe how  
everyone was so kind,  
helpful & attentive.

The cards, letters &  
pictures from the kids  
were unbelievable - Dad  
said "Look at all this  
and they don't even know  
me!"

Impossible we could thank

So Very Much!

all of them but don't  
know how to do that.

Thanks again for making  
an unforgettable day  
for everyone -

Linda Hipman &  
Marv Pilsner
