

Dear Jim Campbell, Mike Thompson and all
who were involved in the Oct. 17th Honor
Flight

This was a beautiful, emotional and
rewarding time in my life. From the time
that we arrived the 16th to register we were
treated so respectfully.

The entertainment and dinner was just great
The trip to D.C. I will never forget. And
coming home at the Airport was a sight to
behold.

My wife and I wish to thank you all
Believe me this was a never forgotten
time

Thank You, Thank You
