Gentlemen + Ladies:

Congratulations on providing a well organized and thoughtful day for many WWII veterans on October 17th

Personally, it was a day that I will never forget. My guardian, Steve Katona, made sure that I saw and enjoyed every step we made. I was really impressed on how well you planned and handled the entire day.

I am enclosing a donation -- as I want other veterans to experience the enjoyment that I had.

Thank you for one of the most enjoyable and memorable days in my life.

Sincerely,
Glenwood W. Knorr
