Never Forgotten Honor Flight
Po Box 5056
Wausau, Wi 54402-5056

TO whom it may concern:

Last night I decided to go out and welcome home our veterans. When I arrived there I did not know anyone on the flight. I so enjoyed the enthusiasm of the families and their wonderful stories.

I loved the fireworks, cheering as the planes landed, it made me cry, all this wonderful planning for these wonderful people who gave their lives for our country. As they filed off I knew several that had made the trip this time and listening to the excitement of their day was unforgettable. I know their day was long and tiring and I did not see anyone of them look tired as they filed off. They certainly were filled with life!

I think everyone needs to experience the joy and stories of these military people. I was able to sponsor 3 this past year and am so moved I need to sponsor 5 more for your next trip.

It is a wonderful thing you have created and I hope more people take the advantage of being there to welcome them home on your next trip in 2012.

May God bless all of you for what you are doing!

Sincerely,

Patricia & Mike Tatro
